The following guidelines regarding only the practical portion (E-Filing of Income Tax Returns) were set in the online meeting with the consent of all the Faculty Members present:

1. In view of the technical and legal issues relating to using Offline JSON Utility which connects on an online mode, it was decided that for this semester only (AY 2021-22), the physical ITR forms which are notified and available in the PDF format on the Income Tax Department Website shall be used for evaluation of the practical component of 20 Marks.
2. In order to acquaint students with the new JSON Utility, it can be taught to the students during the practical classes. However, for examination purposes only physical format of the ITR-2 shall be used.
3. Simple questions on capital gains are advised.

This arrangement is only for Assessment Year 2021-22. It shall be reviewed again for future Assessment Years.
